

The Exit of a *Titan*

It is with a sense of pride, dignity and total humility to God that we announce the passing to glory of our Mentor, Leader and Shareholder. A complete and detribalized Nigerian. An erudite and charismatic personality. A man with unparalleled business acumen.

Otunba Michael Subomi Balogun

As they say, some are born great,
Some achieve greatness,
And some have greatness thrust upon
them - **William Shakespeare**

Our dear **Otunba Subomi** falls squarely
into all three categories.

As we grieve at the passing away of this giant,
We are proud of his exemplary legacy and
milestones.

We pray that his noble soul rests
in perfect peace in
The hands of the Lord.
